

Please Adopt Our Class!

Our Classroom Partnership “Adopt-A-Class” Program at St. Anthony Catholic School is underway once again this school year. This program allows businesses, organizations and families to adopt one or more classes or specialty areas at our school. The specialty areas include cafeteria, computers, library, music, office, P.E., and religion. The donation goes directly into the classroom for our students’ education. Particular needs we have this school year include: carpet in second grade, blinds in first and third grades, as well as in Good Shepherd and Extended Day.

Many schools have found Classroom Partnerships to be a wonderful way to get the community involved in education. The money allows teachers to purchase things for the classroom that otherwise would not be available to our students! The cost of class adoption is your choice of \$50.00, \$100.00, or \$150.00 and is a tax deductible donation.

HOW CAN YOU BENEFIT?

- Your financial contribution gives you the SATISFACTION of knowing you have made a **HUGE** difference in our children’s education and their future.
- Your contribution will be acknowledged as a tax deductible donation in a letter signed by our school principal.

****If you own a business, please consider adopting a class at St. Anthony Catholic School! If you know someone who owns a business, please tell them about our program.****
